City Collection

The City Collection is made from high-quality materials and designed to provide maximum comfort and support.

MARKANT

Maximum comfort and support

This distinctive seating collection is crafted from high-quality materials. Take a seat and be delighted by our City Collection chairs, inspired by the architecture and culture of Europe's leading cities.

The City Collection chairs are not just any chairs; they are a statement of sustainability. With their replaceable coverings, their lifespan is significantly extended, mirroring the timeless beauty of the cities that inspire them. This feature not only allows you to adjust their appearance but also ensures that the chairs remain a stylish and enduring addition to your working environment.

With various options for the Rome, Lyon, and York models, including a classic 4-leg design, a contemporary sled base, a versatile swivel base, or a base on wheels for extra mobility, the City conference chair offers not only comfort but also the flexibility to meet your specific needs.

'It's about the way you work'

Rome

legance and practical comfort with the Rome conference chair. This upholstered chair offers comfortable seating and a durable office solution.

Discover the Rome conference chair from our City Collection: offering comfort and durability with Italian style.

Enter the world of timeless elegance and practical comfort with the Rome conference chair, a stunning piece from our City Collection. Inspired by the guardians of Rome, this upholstered bucket chair offers not only an excellent seating experience but also a sustainable solution for your office design.

Just like the city of Rome, which seamlessly blends its rich history with modern flair, the Rome conference chair harmonizes classic style with contemporary design. Add a touch of Italian allure to your meeting room with this comfortable, durable, and stylish chair.
