City Collection

The City Collection is made from high-quality materials and designed to provide maximum comfort and support.

MARKANT

Maximum comfort and support

This distinctive seating collection is crafted from high-quality materials. Take a seat and be delighted by our City Collection chairs, inspired by the architecture and culture of Europe's leading cities.

The City Collection chairs are not just any chairs; they are a statement of sustainability. With their replaceable coverings, their lifespan is significantly extended, mirroring the timeless beauty of the cities that inspire them. This feature not only allows you to adjust their appearance but also ensures that the chairs remain a stylish and enduring addition to your working environment.

With various options for the Rome, Lyon, and York models, including a classic 4-leg design, a contemporary sled base, a versatile swivel base, or a base on wheels for extra mobility, the City conference chair offers not only comfort but also the flexibility to meet your specific needs.

'It's about the way you work'

York

Discover York: this upholstered Kulpo chair is designed to provide excellent seating comfort during long meetings while ensuring durability.

Enter the world of comfort and refinement with the York conference chair, an indispensable part of our City Collection. Equipped with comfortable armrests, this upholstered bucket chair is designed to provide excellent seating comfort during long meeting sessions while ensuring durability, inspired by the distinctive features of the city of York.

Like the city of York, which combines its rich heritage with modern innovations, the York conference chair embodies a blend of classic style and contemporary functionality. Enrich your workspace with its comfort, durability, and timeless elegance.
