ACKNOWLEDGEMENT

At Winya, we acknowledge the Traditional Owners and Custodians of the lands on which we work and we pay our respects to Indigenous Elders past, present and emerging. Winya operates on Ngunnawal, Larrakia, Kurna, Whadjuk Noongar, Turrbal & Yuggera, Kulin, Gadigal and Nipaluna lands. We recognise the diversity and complexity of these cultures and the vital contributions their traditions and cultures have made, and continue to make, to this country. It always was, and always will be Aboriginal land.

WINYA (win-ya): to “**Sit Now**” in Wiradjuri dialect

Winya Indigenous Commercial Furniture is a **profit-for-purpose, Indigenous owned and controlled business** founded in 2015 by Kamilaroi woman Debbie Barwick, alongside a team of furniture industry professionals.

Established to **increase Indigenous employment and economic inclusion**, Winya works with its supply chain to create trainee opportunities and partners with Indigenous businesses nationwide.

We deliver **commercial furniture for large-scale fit-outs** for Federal and State Government agencies including the ATO, Department of Defence, and Federal Courts, as well as corporate clients such as ANZ and CommBank. Through collaborations with major builders like Lendlease, Built, Sitzler, and Multiplex, our programs have grown nationally.

Winya aligns with the Commonwealth Indigenous Procurement Policy and Reconciliation Action Plans, setting **new standards for business and social impact**. Recognised by the **United Nations for leadership in Sustainable Development Goals**, we demonstrate that commercial success and ethical responsibility go hand in hand.
